

[SOLUTION] Food Jumble

Answer: **FRUIT PUNCH**

This is a Jumble so each clue solves as a pun. To help puzzle solvers, the answers are in alphabetical order and are all foods. A couple of foods (CANTALOUPE and KETCHUP) have multiple spellings, but the letter bank and the word lengths disambiguate. The clues solve to:

CANTALOUPE -- Can't elope -- Fruit star-crossed lovers should avoid (10)

KETCHUP -- Catch up -- Condiment for when you're behind (7)

PENNE -- Penny -- One cent pasta (5)

PIE -- Pi -- Mathematician's dessert (3)

THYME -- Time -- An herb you never have enough of (5)

SCRAMBLED EGGS -- Scrambled = jumbled -- Breakfast food for Jumble solvers (9 4)

SNICKERS -- Snicker = laugh -- Chocolate bar sure to make you laugh (8)

WINE -- Whine -- A drink often complained about (4)

After crossing out the letters from the clues above, the letters left to use in the final jumble are CFHINPRTUU. This anagrams to the answer **FRUIT PUNCH**, which is a punny food.
