Someone made a sudden sound with their fingers while people were talking.

Someone went outside and looked up at blue and clouds.

Someone searched for wood or paper to start a fire.

Someone was feeling lazy and took a nap instead of trying to do work.

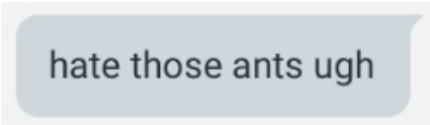

“Sup?” Someone asked a square on his phone.

Someone queued up at the nearby store.

Someone wore a bag over one shoulder with a strap that goes across the chest.

Someone wished their friends a happy Chinese New Year in casual conversation.

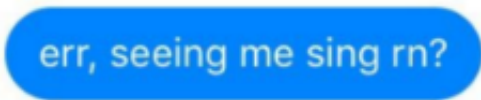

Someone tried to find people to spend time with.
