# Beyond Math Competitions

Speaker: Po-Shen Loh

**Saturday, February 17th**  
**9:30–10:50AM in Room 370-370**

Po-Shen Loh will share some thoughts and insights about the landscape around math competitions, and host a free-form Q&A session about topics of interest. He is a math professor at [Carnegie Mellon University](#), the founder of [Expii](#), and the national coach of the [USA International Math Olympiad team](#).
