# (E) A Fish Story (1/2)

Aymara is a South American language spoken by more than 2 million people in the area around Lake Titicaca, which, at 12,507 feet above sea level, is the highest navigable lake in the world. Among the speakers of Aymara are the *Uros*, a fishing people who live on artificial islands, woven from reeds, that float on the surface of Lake Titicaca.

**E1 (practical).** Below, seven fishermen describe their catch. Who caught what?

- 1. “*Mä hach’ a challwawa challwataxa.*”
- 2. “*Kimsa hach’ a challwawa challwataxa.*”
- 3. “*Mä challwa mä hach’ a challwampiwa challwataxa.*”
- 4. “*Mä hach’ a challwa kimsa challwallampiwa challwataxa.*”
- 5. “*Paya challwallawa challwataxa.*”
- 6. “*Mä challwalla paya challwampiwa challwataxa.*”
- 7. “*Kimsa challwa paya challwallampiwa challwataxa.*”

Also, watch out! *One of the fishermen is lying.*

**E2 (practical).** Your daily catch is pictured to the right.  
Describe it in Aymara, and don’t lie!

n → a → c → l → o
